On that austern October a glit, A city fell. Alast the eight. Three thousand acres scarcely less, Beroft of princely happiness.

At vespors all looked safe and onco. The city slept in hope scence, But ere the hour of midnight came. Her street; were wrapt in sheeted flame A hundred domes on which the light of that blot Sabbath shows so bright. Were domied to perish mid the flame, form of a flory hurricane.

Nor most, nor mound, nor river-host Could bur the monster's hery tread. But leaping these, and scaling walls, the mode ten thousand, morning sails of barnt estates and looses dire. Engraved in burning lines of fire

The winds and flames struck all hearts due Prophetic that the end had come, For scores o'ertaken in their flight. Were burned alive o're morning light. Some lifted unto God a prayer, Others an oath; and everywhere, Confusion and fewilderment, To make things worse, their forces lant.

With giant strides the angry wind Urged on in wrath the flery flend, And goods just stored some miles aw Caught fire and soon in ushes by. Quick spreads the news o'er land and sea, Which rensed a world to sympathy. And back there came in flying hasto, Great words of pity, for this waste.

On orient hills and western plains, On British Isles, in French domain At home, abroad, and far apart, There heat the sympathizing heart With millions lost, the gain is great. To christian ethics—not the state— This instance given there proves to be A Christ in our humanity.

In queenly beauty stood the ald, The see shall charm us to behold, For skill, and taste and wealth alone, Shall lay with pride each corner stone Arise, ti "Unity of the West"
Be thou rebuilt, in beauty dressel,
Renew thy youth, to all declare,
With thee no city shall compare Let hope and faith sustain thy heart ce all the world now takes thy part Arise and build with glad refrain, Thy surines of prayer and marts of gain
